Our Company

From the Director of Smilepad Hygiene India Pvt. Ltd with a rich heritage dating back to 2002 as 'Prasuti Gold' maternity care a trusted name in India's maternity care, we have a legacy of excellence in hygiene and healthcare. Building on this legacy, Smilepad embarked in a journey with a mission to provide quality disposable products across India.

Over two decades as Prasuti Gold, we've not just understood the market; we have immersed ourselves in it. We've listened to the needs and concerns of countless individuals, healthcare providers, and families. We have witnessed the evolving landscape of hygiene and healthcare, and through this journey, we have honed our expertise to create the highest quality disposable hygiene products. Our commitment is not just based on years; it's a testament to our dedication to your well being. Smilepad continues to evolve, drawing from this invaluable experience to provide you with the quality and care you deserve.
